

GDPR Compliance Statement

This GDPR Compliance Statement sits in line with our Privacy Policy, is supplemental and applies to all European Union Citizens that are using our services. As such Rabbit Company LLC proceeds with all data processing procedures (e.g., collection, processing, and transmission) in accordance with Regulation (EU) 2016/679 (General Data Protection Regulation).

Nothing in this Statement is intended to contradict or limit the applicability of the information provided in our Privacy Policy.

The following provides you with an overview of the type of data collected and how it is used and passed on, the security measures we take to protect your data and how you can exercise your rights.

Personal data is information that makes it possible to identify a natural person. This includes in particular, your name, date of birth, address, telephone number, e-mail address, but also your IP address. Anonymous data as such only exists if no personal reference to the user can be made.

- the legal basis for processing in order to fulfil our services and carry out contractual measures and respond to enquiries is art. 6(1)(b) GDPR,
- the legal basis for processing in order to fulfil our legal obligations is art. 6(1)(c) GDPR, and
- the legal basis for processing in order to protect our legitimate interests is art. 6(1)(f) GDPR.

GDPR Compliance Statement

Security of your personal data

We take appropriate technical and organizational measures in accordance with Art. 32 GDPR, taking into account the state of the art, the implementation costs and the nature, scope, circumstances and purposes of the processing, as well as the varying likelihood and severity of the risk to the rights and freedoms of natural persons, in order to ensure a level of protection appropriate to the risk.

The measures include, in particular, ensuring the confidentiality, integrity and availability of data by controlling physical access to the data, as well as access to, input, disclosure, ensuring availability and segregation of the data. We also have procedures in place to ensure the exercise of data subjects' rights, deletion of data and response to data compromise. Furthermore, we already take the protection of personal data into account during the development and selection of hardware, software and procedures, in accordance with the principle of data protection through technology design and through data protection-friendly default settings (Art. 25 GDPR).

Cooperation with processors and third parties

If, in the course of our processing, we disclose data to other persons and companies, transmit it to them or otherwise grant them access to the data, this will only be done on the basis of a legal permission (e.g. if a transmission of the data to third parties is necessary for the performance of the contract, you have consented, a legal obligation provides for this or on the basis of our legitimate interests (e.g. when using agents, web hosts, etc.)). If we commission third parties to process data on the basis of a so-called "processing agreement", this is done on the basis of Art. 28 GDPR.

Transfers to third countries

Our main operations are based in the USA and your personal data is generally processed, stored and used within in the USA. In some instances, your personal data may be processed outside the USA. If and when this is the case, we take steps to ensure there is an appropriate level of security, so your personal data is protected in the same way as if it was being used within the USA.

Your rights

These rights are standardized in the GDPR. This includes:

- the right to information (Art. 15 GDPR),
- the right to rectification (Article 16 GDPR),
- the right to erasure (Article 17 GDPR),
- the right to restriction of data processing (Article 18 GDPR),
- the right to data portability (Article 20 GDPR),
- the right to object to data processing (Article 21 GDPR),
- the right to revoke any consent you have given (Art. 7 (3) GDPR), and
- the right to lodge a complaint with the competent supervisory authority (Art. 77 GDPR).

Please contact us at any time with questions and suggestions regarding data protection and to enforce your rights as a data subject.

Cookies

"Cookies" are small files that are stored on your device. Different information can be stored within the cookies. We may use temporary and permanent cookies and will explain this in our Cookie Policy. The legal basis for the use of cookies is either your consent or our legitimate interest.

Deletion of data

The data processed by us will be deleted or its processing restricted in accordance with Articles 17 and 18 GDPR. Unless expressly stated in this data protection declaration, the data stored by us will be deleted as soon as it is no longer required for its intended purpose and the deletion does not conflict

GDPR Compliance Statement

with any statutory retention obligations. If the data is not deleted because it is required for other and legally permissible purposes, its processing will be restricted. I.e., the data is blocked and not processed for other purposes. This applies, for example, to data that must be retained for reasons of commercial or tax law.

Business-related processing

In addition, we process Contract data and Payment confirmations of our customers, prospective customers for the purpose of providing contractual services and customer care. When processing the data provided to us within the scope of providing our services, we act in accordance with the instructions of the client as well as the legal requirements of order processing pursuant to Art. 28 GDPR and do not process the data for any other purposes than those specified in the service. For further information please refer to our Data Processing Addendum.

We delete the data after the expiry of statutory warranty and comparable obligations. The necessity of storing the data is reviewed every three years; in the case of statutory archiving obligations, the deletion takes place after their expiry.

In the case of data disclosed to us by the user within the scope of a service, we delete the data in accordance with the specifications of the service, in principle after the end of the service.

Changes

Because we're always looking for new and innovative ways to improve our Platform and services, this policy may change over time. We will notify you before any material changes take effect so that you have time to review the changes.
